## "CASEMOVERS" SAFETY- LIFT MODEL HD800US

### Specs:

- \* Capacity: 1600lbs \*
- \* Height: 49"
- \* Width: 16"
- \* Casters: 3"
- \* Weight: 65 lbs.
- \* Color: Safety Orange

20' Safety Ratchet Strap Included  
\* when used in pairs.

Specially designed for internal postal facility moves.

Desks, File Worktables, Cabinets, Stamp Machines, Small Safes and More!

Features include detachable outrigger wheels which improve stability when moving cases. These outriggers also make it easier to store the handtrucks in an upright position when not in use.

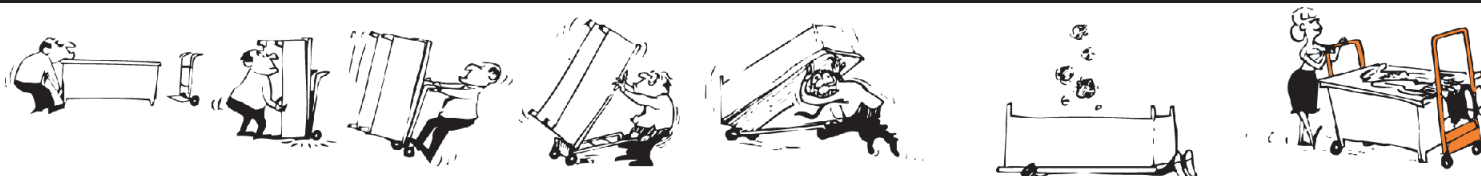

Each truck also includes a hinged lifting plate which enables easy movement of higher clearance objects such as tables and wing cases. To move flush items such as file cabinets, simply rotate the hinge plate out of the way and detach the outriggers (using lynch pins).

**AVAILABLE THRU USPS eBUY PROGRAM.**

**Postal Products Unlimited, Inc.  
eBUY Item#62485**

**When Moving chores are getting you down, DONSON gives you that extra lift.**
